TOURS

Dearest friends and supporters,

Deux Voix would like to invite you to join us on a musical journey through Italy!

When we formed Deux Voix in the summer of 2014, we could not have imagined our music taking us around the world. Since then, we've performed across 20 states and 3 continents, encompassing nearly 400 performances to date, from headlining concerts at festivals like the Spoleto Festival in Charleston and the Bergen International Organ Festival in Norway, to recitals at venues like St. Patrick's Cathedral in New York City and the world's largest pipe organ in Atlantic City, New Jersey. For over a decade, Deux Voix has been truly blessed to share wonderful musical experiences with countless audiences, and we would like to join us on another adventure!

To us, nothing is better than to share musical and cultural experiences with you, our amazing friends and supporters, and we would be honored for you to join us on a one-of-a-kind adventure to Italy. We are grateful to collaborate once again with St. Cecilia Tours, who promises to create lasting memories of some of Italy's most beautiful cities and performance venues. Please consider joining us in May and June of 2026 for a joyous celebration of music, alongside the iconic nature, cuisine, and culture of Italy.

We hope you will join us!
