St. Cecilia  
**TOURS**

## Dearest friends and supporters,

We are thrilled to invite you to join us on a musical journey through Italy!

It's hard to believe a decade has passed since our first public concert as a duo in the summer of 2015 in our home base of Houston. Since then, we've been fortunate to travel the world, spreading trumpet and organ music to countless audiences across 19 states and 3 continents, encompassing over 300 performances to date. From headlining concerts at festivals like Spoleto in Charleston and the Bergen International Organ Festival in Norway, to recitals at venues like St. Patrick's Cathedral in New York City and the world's largest pipe organ in Atlantic City, New Jersey. Deux Voix have been blessed to to share our music for the past decade.

Nothing is better than to share in cultural experience with you, our amazing friends and supporters. We would be honored for you to join us on this one-of-a-kind adventure to Italy. Thanks to St. Cecilia Tours, who promises to create lasting memories of some of Italy's most beautiful cities and performance venues. Please consider joining us in May and June of 2026, for a joyous celebration of music, with the dramatic nature, cuisine, and culture of Italy.

Please join us!
